Reference our previous phone conversation, the Posthumous ARCOM awarded by Company B, 4-3 BSTB will need to be generated again for the Parents of SGT Deirdre Aguigui who did not receive a copy at the time the Husband was presented his at the Unit Memorial. A printed copy of the original 638 should be provided with another certificate. Spoke with Mr. [REDACTED] [REDACTED] of CMAOC Operations (Awards and Decorations Branch), and he confirmed that SPC Aguigui was not eligible for the Combat Action Badge.

In accordance with SPC Aguiguis' Enlisted Record Brief (dated 3/1/2011), SPC Aguigui had never deployed to Theater. AR 600-8-22, dated 11 Dec 2006 (8-8 Combat Action Badge) reads as follows:

c. Specific eligibility requirements.

(1) May be awarded to any Soldier.

(2) Soldier must be performing assigned duties in an area where hostile fire pay or imminent danger pay is authorized.

(3) Soldier must be personally present and actively engaging or being engaged by the enemy, and performing satisfactorily in accordance with the prescribed rules of engagement.

(4) Soldier must be assigned or attached to a unit that would qualify the Soldier for the CIB/CMB. For example, an 11B assigned to Corps staff is eligible for award of the CAB. However, an 11B assigned to an infantry battalion is not eligible for award of the CAB.

Attached is the final AAR for SGT Aguigui.

There is one alibi that the family asked (literally right before I left) me to check on for them.

Apparently at the funeral, SGT Aguigui's husband (currently in jail) had mentioned to the family that paperwork had been put in for the Combat Action Badge during a deployment. This is the first I had heard of this and with the husband in Jail, I don't know where we can track this info down. Can someone please check her file to see if there was an award in process or one complete? If so I will need to add to her flag case. If not I will need to come back with what effort was made (checked her

[REDACTED] had combined Deidre's education loans (\$10,000) with her own prior to the death. She would now like them separated so Deidre's can be discharged. No. There is nowhere to be found at her unit or DA to show that she was entitled to a CAB and we cannot con't to look on the word of her husband. Yes, she was in Iraq but she did not go out on any mission per her former commander which is out of the Army now.

Latest update on personal effects:SGT Aguigui's residence on post was released by CID in June and the summary court martial officer was able to collect and turn in her gear to CIF. SGT Aguigui's residence is still occupied by her and PFC Aguigui's belongings due to PFC Aguigui's incarceration. The summary court martial officer has been working with Fort Stewart's Administrative Law office to find the legal answer to a challenging situation. The process of out processing SGT Aguigui from installation is temporarily on hold. The summary court officer will be in JRTC from 29 October 2012 until 21 November 2012 but was informed by Administrative Law that there should be answer for the situation upon return from JRTC.

Was contacted by LTC [REDACTED] about this case this week. The Father may be being charged with murder so I'll be getting in touch with the SNOK here in MN. My state counterpart originally had this case until our AOR re-alignment. I will be calling the past CAO to gather family dynamic information and update DCIPS accordingly as needed.

Will take a "backseat" in this process, however, and defer to those working the legal process.

CID ROI DATED 23 APR 2013.

INVESTIGATIVE [REDACTED]

The Military Police, Fort Stewart, GA (FSGA) notified CID that PFC AGUIGUI (20 Y/O) found his wife, SGT AGUIGUI (24 Y/O), deceased inside their on-post residence.

Investigation established probable cause to believe PFC AGUIGUI murdered SGT AGUIGUI by suffocation, which then resulted in the death of her unborn child.

The Armed Forces Medical Examiner's (AFME) autopsy report revealed the cause and manner of SGT AGUIGUI's death could not be determined by forensic analyses and her toxicology was void of any controlled substances or ethanol.

MAJ [REDACTED], Office of the Staff Judge Advocate (OSJA), FSGA, opined there was probable cause to believe PFC AGUIGUI murdered his wife and unborn child.

PERE determination

PERE information update to reflect new determination.

2013-06-26 / 13:52:00

FYI- Survivor/Pvt. Isaac Aguigui of Cashmere, Wash., will face a military hearing to determine if a court-martial should try him in the death of his wife, Army Sgt. Deirdre Aguigui, said Fort Stewart officials in southeast Georgia. The Army also charged Aguigui with causing the death of an unborn child, a boy, when his wife died in July 2011. Military authorities spent nearly two years investigating, but have not released any details about the killing.

"Every victim deserves to have their case prosecuted. In this case it took some time," said Fort Stewart spokesman [REDACTED]

Less than five months after his wife's death, Aguigui and three fellow Fort Stewart soldiers were charged by civilian authorities in the December 2011 shooting deaths of [REDACTED] a former member of their Army unit, and [REDACTED] 17-year-old girlfriend, [REDACTED]. Civilian prosecutors are seeking the death penalty for Aguigui, saying he ordered the deaths to keep the couple from exposing the militia group.

Civilian prosecutors said in court last August that Aguigui, 21, recruited and led a group of disgruntled Army soldiers who plotted attacks ranging from bombing a park fountain in Savannah to poisoning apple crops in Washington state. They said the group also wanted to assassinate an American president, though prosecutors never specified if the target was President Barack Obama.

In addition to malice murder and felony murder, Aguigui faces state charges of criminal gang activity, aggravated assault and using a firearm while committing a felony.

But the family is currently not in town and not ready to receive the household goods. [REDACTED] MN SOSSC:

[REDACTED] at LEA CAC emailed and phoned requesting my assistance to the parents, [REDACTED] and [REDACTED]. I also spoke with 1SG [REDACTED]. I've left a message on Mr. [REDACTED] phone re-introducing myself and will follow up with another call later today. Items brought to my attention by the CAO:

1. Parents want to connect with SGT Aguigui's unit regarding giving a gift on her behalf.
2. parents are still trying to settle with college loans in Diedre's name.
3. Family will need SOSSC outreach by phone on a timely basis while this trial is in process.

I've spoken with MN SOSSC [REDACTED] and between the two of us we will stay in touch with the [REDACTED] Family.

2013-09-05 / 17:52:00

[REDACTED] MN SOSSC:

I spoke with [REDACTED] (father) today. They are going through the PE and 'trying to decide what should be thrown away'. He sounded weary. I offered to have a POC from the St. Paul Police Dept Survivor Resources call him; she deals with survivors of traumatic death daily and will be able to give them some advice on coping and keeping. He accepted that offer and gave permission for me to give her their phone number. I've completed a client card and submitted to JAG for assistance with the school loans. I tried calling the FRSA for 4-3 BSTB at FT Stewart but there wasn't voicemail. I've emailed the FT Stewart SOSSC for assistance in connecting with the unit FRG. The [REDACTED] would like to make a contribution to the FRG to assist pregnant women. I have mailed a card to the [REDACTED] with contact information for both myself and my MN counterpart [REDACTED] and stressed that they should call us any time. [REDACTED] and I will continue to outreach on a regular basis.

Mr. [REDACTED]

MSG [REDACTED] will be leaving us soon (SEP I believe). You should know that Mr. [REDACTED] and myself are the benefits officers here and will be your POCs for benefits. Now, our records show that DG was paid by Fort Stewart to Isaac Aguigui, spouse, on 21 July 2011 via EFT. At that time, CID was not communicating well with us and it wasn't until he killed two others that they finally arrested him. Then they started really looking at this SM and her unborn child's death as a murder. Who do I speak to at the OGC in order to get a FINAL determination on the DG? Her poor family has been through enough, I'd rather the Army fight for their benefits than to drag them through this mess any further.

I am checking with MSG [REDACTED] to see if the DG payment was ever made. The BAH payment couldn't be paid to the parents anyway because they are not entitled to the payment, since there was no surviving dependent. If it's found that the DG payment was made, then it will have to be up to OGC to make a determination on whether the DG can be reissued.

I understand your concern and in my personal opinion, I am with you. CID would not say he was a suspect or a person of interest. Their lack of communication could have prevented not only these payments, but possibly saved the life of two other people. It is a really unfair situation, but it is DFAS' decision.

DFAS,

Is there no exception here? Anything that the family or ourselves can do to get this overturned?

I question that it was paid in good faith when benefits should have been on hold.

Ms [REDACTED] - see journal entry 18, 22 & 38. Between CMAOC/STE CAC/CID and DFAS there was a failure to communicate. CID could not state whether he was a person of interest or not at that time. In addition STE Finance had submitted the payment to DFAS and there was to be an attempt to pull the payment back. Later CID says he's not and payment is reissued on 21 Jul

Subject: Re: FW: SGLI and FSGLI - SGT AGUIGUI, DEIRDRE and Calvin Aguigui DOD: 17 JUL 2011(UNCLASSIFIED)

Good morning.

No decision has been made as to yet regarding the SGLI - the 2011 benefit was issued based on a certification that allowed the claim to be paid as presented. Matter is under discussion here and I will keep you informed

FSGLI on Deirdre - Isaac was excluded under the Slayer's Rule, as was his mother as his contingent. Claim requests have been sent to her parents as next in line for the benefit payable to her family by law (not payable to her spouse as he was disqualified, no children, parents are next).

FSGLI on Calvin - was payable under Deirdre's FSGLI - she is of course unable to collect and Isaac would be next in line as her SGLI beneficiary. He, however, is disqualified under Title 38, 1970(b) as he did not file claim within one year of the stillbirth. As a result, the benefit goes to her contingents, which are her parents. Claims requests have already been sent to them last week.

Please feel free to call me if you wish to discuss.

Subject: RE: Death Gratuity, SGT Deirdre A. Aguigui; PL #14-16068

[REDACTED]

This is in response to your request for an opinion regarding whether a second death gratuity payment should be issued for the benefit of the surviving parents of SGT Deirdre A. Aguigui. It is our opinion that pursuant to the specific facts of this case, a second payment of death gratuity should not be made.

The information provided shows as follows: SGT Deirdre A. Aguigui died on July 17, 2011. On her DD Form 93, Record of Emergency Data, she designated her husband, Isaac Glen Aguigui, as the beneficiary of her death gratuity. SGT Aguigui was survived by her spouse, she was not survived by any children. The Staff Journal from the Finance activity at Fort Stewart, Georgia, specifies that on or about July 18, 2011, a payment of death gratuity was made to the beneficiary, Isaac Glen Aguigui. However, due to pending CID investigations into the circumstances of the death of SGT Aguigui, the payment was soon successfully pulled back from the bank. See Staff Journal, notes of July 21, 2011, 10:55:00. Personnel at Fort Stewart contacted Agent [REDACTED] of the CID Office and were told that, he was unable to say "at this time" whether or not the spouse is a person of interest (in the death of SGT Aguigui); he would be able to conclude whether the spouse was a person of interest upon review of the results of the autopsy. See Staff Journal, notes of July 19, 2011, 12:16:00. Upon completion of the autopsy, Agent [REDACTED] informed that the spouse was not considered a person of interest at this time. See Staff Journal, notes of July 21, 2011, 10:55:00. With the information provided by Agent [REDACTED] a second and final payment of death gratuity was made on July 21, 2011 to SGT Aguigui's designated beneficiary, her spouse Isaac Glen Aguigui. See Staff Journal, notes of July 21, 2011, 15:54:00. Subsequently, on March 27, 2014, Isaac G. Aguigui was convicted of the murder of SGT Aguigui and her unborn child. See Department of Defense Report of Result of Trial, dated March 27, 2014, [REDACTED].

The Comptroller General has held that the Government is not liable for a second payment of death gratuity to a proper payee where the original payment was made in reliance on the service member's representations, whether willful or erroneous, and nothing otherwise appeared to give rise to doubt as to the correctness of such representations. See Comp. Gen. decision, B-176847, March 21, 1973; B-166915, June 18, 1969; 37 Comp. Gen. 131 (1957). In such cases, the payment to the initial beneficiary is not considered to be erroneous (based on the information available at the time of payment). Therefore, the Government has obtained good acquittance and no subsequent payment is authorized. Applied to the instant case, the payment to Isaac G. Aguigui was made only after finance officials at Fort Stewart had been informed by an agent at CID that

Isaac was not considered a person of interest in the death of SGT Aguigui. Thus, the payment was reasonably made based on the information available at the time of payment. Unfortunately, many years after that payment was made and following the discovery of additional information by law enforcement officials, Isaac G. Aguigui was charged, tried, and found guilty of the murder of SGT Aguigui. However, the original payment of death gratuity to Isaac G. Aguigui was not erroneous based on the information available at the time the payment was made, therefore, there is no entitlement for a second payment.

If you have questions regarding this opinion, please give me a call.

Back in November of 2014 I had provided [REDACTED] contact information to the Jefferson Barracks National Cemetery Scheduling office and help him complete the VA headstone paperwork. In following up with [REDACTED] he stated that he hasn't made the time and his family is still not quite ready to deal with a burial ceremony.
